## About Us

**We are the Reno Guardian Angels.** We help those who are often unable to help themselves or even know how to seek help. We protect those who are often overlooked, neglected, under-represented, discriminated against, oppressed, or disadvantaged.

We were founded in Reno in 1996 and have been active every year since. The Reno chapter is the third longest-running chapter in the global Guardian Angels network which includes at least 100 cities in 11 countries.

We are not a religious or political organization and we do not discriminate based on race, gender, age, religion, income, political view, sexual orientation, or disability. We are a community activist group that strives to improve communities, while also educating and empowering its members with skills in first aid, CPR, basic law, self-defense, leadership, teamwork, responsibility, discipline, public speaking, and community relations.

**If you want to spend your free time helping others and becoming more involved in your community, call us at 775-745-7485 or email us at [renoangels@aol.com](mailto:renoangels@aol.com) to find out more.**

I look forward to meeting you!

### It's cold out there!

Since the tents previously used by our Downtown homeless have been removed to comply with city mandate, hundreds and hundreds and hundreds huddle in alleys, keeping as close to each other as possible to keep warm. As a small organization, we can't do much... but **we CAN do something**, and this is our first step in that direction.

First, we need to raise the money to buy the blankets, hats and gloves — and FAST. **We are hoping to raise \$2,000 in the next week**, in order to distribute the blanket-bundles on Tuesday, December 23.

**Please help us! Donate today at [www.renoguardianangels.com](http://www.renoguardianangels.com).** To donate in person or for additional information, contact Scott Tootell at 775-343-9242 or at [renoangels@flexativity.com](mailto:renoangels@flexativity.com).
